

# Super Asia ECM 4900 PLUS QUICK COOL— Detailed Features & Specifications

---

## 1. General Information

- **Model:** ECM 4900 PLUS QUICK COOL (Room Air Cooler) [superasiastore](#)
  - **Water Tank Capacity:** 70 Liters [superasiastore+1](#)
  - **Type / Cooling Technology:** Evaporative air cooler with top-loading cooling box & quick-cool (ice pack integration) features [superasiastore+1](#)
- 

## 2. Physical / Build & Materials

- **Body:** Shock & rust proof plastic body [superasiastore+1](#)
  - **Cooling Box / Ice Packs:** Top loading cooling box for re-freezable ice packs (includes 6 ice packs) [superasiastore+1](#)
  - **Cooling Pads:** High efficiency, anti-bacterial **three-sided honeycomb evaporative pads** for optimum cooling [superasiastore+1](#)
  - **Mobility / Wheels:** Strong wheels with **four-way movement** for easy repositioning [superasiastore+1](#)
- 

## 3. Features & Cooling Functions

- **Top Loading Cooling Box** — supports re-freezable ice packs for enhanced cooling effect [superasiastore+1](#)
  - **6 Re-freezable Ice Packs** included to boost cooling performance [superasiastore+1](#)
  - **Powerful Air Throw & Auto Swing** — ensures uniform cooling across room [superasiastore+2Hadi Electronics+2](#)
  - **Fan Based Cooling / Air Circulation** — efficient airflow mechanism [superasiastore+1](#)
  - **Two Speed Fan Control** — lets you adjust airflow according to cooling need [superasiastore+1](#)
  - **Continuous Water Supply System** — via float valve to maintain water level automatically [superasiastore+1](#)
  - **Low Maintenance & Long-Lasting Life** — designed for durability and ease of upkeep [superasiastore+1](#)
-

#### 4. Dimensions, Weight & Other Specs

Specification	Detail
Net Weight	31 kg <a href="#">superasiastore</a>
Gross Weight	36 kg <a href="#">superasiastore</a>
Product Dimensions (W × D × H)	715 × 630 × 1,140 mm <a href="#">superasiastore</a>

---

#### 5. Additional Highlights

- Elegant design combining cooling box and large tank for better performance
- Honeycomb pads on three sides help pull more air and increase cooling efficiency
- Ice box with included ice packs gives you ability to “boost” cooling in extreme heat
- Durable plastic exterior protects against rust and impact damage
- Wheels and portability mean you can move it around your home easily
